### **Monthly Returns**

DPTI have said if monthly returns are in the post within the 7 days allocation then it is still counted as in on time after rural members were concerned that their returns would be delayed by country post timetables lagging in efficiency compared with other areas. DPTI have said they recognise this, and it is not an issue and their returns will still be considered in within the required time frame.

### **Meetings**

Members when receiving invitations to meetings can you please RSVP as this will assist with seating and catering. This ensures we have booked the correct size room so everyone can be seated and ensures everyone gets to have some food. Even if you return the email invitation with a Yes or No to confirm your attendance or not. Thank you.
