President Report

President's Report

Dear valued members,

The end of a tumultuous year is near.

We were presented with the Driving Industry Reform Bill, lobbied against it, and for all intents and purposes, appear to have succeeded.

The general consensus is that our industry does need a reform.

We therefore requested a Select Committee that will facilitate the development of a Reform Bill by interviewing industry members along with DIT. This process may take up to two years.

As the regulatory assessment will begin to affect every single industry member, the Board intends to conduct multiple workshops designed to refine our skills to ensure positive outcomes during that process.

I hope that all of you, your family and friends have a very safe and Merry Christmas.

Kind Regards,

Linda Jackson

ADTA-SA President

Monthly Returns

DPTI have said if monthly returns are in the post within the 7 days of allocation, then it is still counted as in on time after rural members were concerned that their returns would be delayed by country post timetables lagging in efficiency compared with other areas. DPTI have said they recognise this, and it is not a problem and their returns will still be considered in within the required time frame.

Meetings

When receiving invitations to meetings, can ALL members please RSVP. This will assist with seating and catering. It ensures we have booked the correct size room so everyone can be seated and allows everyone to be properly catered for. Even if you return the email invitation with a Yes or No to confirm your attendance. This would be very much appreciated. Thank you.

Finance Report from the Treasurer-

This year we have done a lot to reduce spending in the association and we are in a good position financially. The auditors recently completed our annual audit and it was completed satisfactorily. The current bank balance is \$60,000.

Cheers,
